LOCATION

The charming residential development of The Katarino Resort is situated in Razlog. It consists of one and two-bedroom houses with stunning views on one or two floors, with a separate garden. Located about five miles from Bansko town centre, Katarino resort is a popular place all year round.

Finished in wood and stone and very much in keeping with the architecture of the surrounding area. Benefiting from large windows which offer unrivalled views out across to the forest-covered mountain slopes of Pirin, the Rila mountain and across to the imposing Rhodope mountain range.

The Katarino Resort is located very near to the historic town of Bansko. This town attracts visitors with its 120 cultural monuments, museum houses, and the permanent ethnographic Bansko School of icon painting exhibitions. You will be taken back in time by the atmosphere of the houses (built during the nineteenth century), the narrow streets with cafes, and the small shops of this charming town.
