

OVERVIEW

Mont Tremblant resort is located just north of Montreal in the Laurentian Mountains. This Striking backdrop provides the perfect setting for Tremblant's European style village. This exciting region offers breathtaking views and much to explore. Mont Tremblant is the perfect setting for your holidays and summer escapes. Located in the heart of the Canadian Golf Mecca, there are 10 magnificent golf courses, five of which are championship. There are many other activities such as horse riding, mountain biking, rafting and fishing. In the winter months you can enjoy the slopes of Mont-Tremblant and the cross country network in the Laurentians. The Charming local village is full of restaurants, sunny terraces, inviting cafes and colourful boutiques. These mountain homes are available with 1,2,3,4 and even 5 bedrooms on 1,2 or 3 floors. They are large enough to enjoy with family and friends on weekends and holidays. Naturally, each unit is equipped with a stone fireplace and a large balcony or terrace for you to enjoy the summer sunsets. Living spaces vary from 735 square feet to 1966 square feet, among the largest per bedroom in the region. All models come fully equipped and furnished with care by our exclusive designer at an extra cost.

LOCALITY

Tremblant is in Quebec, Canada's French speaking province and has its own special brand of joie de vivre! Nature has been generous to Mont Tremblant, a majestic goom peak set in Laurentian mountains, by creating it as an ideal skiing mountain with skiing on four mountain faces. Repeatedly voted best resort in Eastern North America, Tremblant boasts more high speed lifts than any other Eastern resort. The pedestrianised resort centre offers a colourful array of boutique shops, restaurants and bars. Après-ski and nightlife are concentrated in Vieux Tremblant and in the heart of Tremblant itself you find the Aqua Club 'La Source' with pools, saunas and a fully equipped gym.
